Bowl Your Game™

# **GENESIS<sup>®</sup> Adrenaline™ Gold Rush**

**Limited Edition** - Look for the unique production number engraved on each ball.

We're only making 490 of these thar Gold Rush Editions for the International folks, and another 49 for all you U.S. critters. They feature a larger core size for more of 'dem ball dynamics, so ya'll better claim yer's before some other varmint gets yer gold.

**Ball Motion** - The lower Rg **GC-90XL™** core allows this power pearl to start digging in earlier than the original **Adrenaline™**, while the **Posi-Traxx™ Pearl Reactive** cover makes sure that there is still a motherload of energy to plow through the pins on medium, or heavier, lane conditions.
