GENESIS[®]
Bowl Your Game™

GENESIS[®] Adrenaline™ Rush

When everything is on the line you need to dig deep. The adrenaline rush that hits you comes from within. You either have it or you don't. So, if you're ready to get your heart pumping... put your game face on, shoe up, and be primed for a rush!

Ball Motion - The heart of this beast starts pounding early on the lane thanks to the lower Rg of the **GC-90XL™** mild-asymmetric core, while the gritty **Posi-Traxx™ GT** solid reactive cover digs in to power through the heavier volumes of oil that you may encounter when playing the deeper inside angles that the Rush allows you to play.
