GENESIS[®]
Bowl Your Game™

GENESIS® Ignitor Thrust™

We've taking things up a notch by taking the asymmetric **Power Cube™ CE** core from the **Ignitor Blast™** and lowering the Rg for an earlier motion. Then we matched it up with a stronger **Endura-Tac™ Solid** reactive cover and gave it an aggressively prepped finish that provides a smooth launch through the heads, then turns up the heat through impact!

Ball Motion - The surface prep of the **Endura-Tac™ Solid** cover was matched up with the controlled energy of the core to get the ball into an earlier roll, then create an angle through the pins so strong that we had to call it **Thrust™!**
